_____ ___ _____ ___

A letter in support of your application from a faculty member in your department is required. This letter should contain a description of your academic capabilities in geology, your ability to cope with the rigors of field work, and your ability to work with others. An admissions descision cannot be made without this endorsement.

Name of faculty member: _____

Campus phone: _____

Applications must be postmarked **NO LATER THAN MARCH 1, 2012**. Students will be notified as to their acceptance on or before **April 1, 2012**. The college reserves the right to cancel the Geology Field Program if an appropriate enrollment is not realized. State University of New York does not discriminate on the basis of race, sex, religion, national origin, handicap or martial status in admissions, employment and treatment of students and employees.
