A letter in support of your application from a faculty member in your department is required. If there is more than one application from you institution, a single letter will suffice for all. An admissions decision cannot be made without this endorsement.

Name of faculty member: _____

Campus phone: _____

Applications must be received **NO LATER THAN MARCH 1, 2008**. A \$100 deposit (payable to: SUNY Cortland) must accompany this form. Students will be notified as to their acceptance on or before **April 1, 2008**. If the application is accepted, the deposit is applied to the course fee. If admission is denied the deposit will be refunded.

The college reserves the right to cancel the Geology Field Program if an appropriate enrollment is not realized. In this event, complete refund of payments will be made. State University of New York does not discriminate on the basis of race, sex, religion, national origin, handicap or martial status in admissions, employment and treatment of students and employees

Return Application to: Dr. Gayle Gleason, Coordinator of Field Geology
