

CAP100 Wiki Assignment

Step 1: Getting Access to the Wiki

- Go to <https://cap100.pbwiki.com/>
- Click on *Request Access* button on right hand side of page
- Fill in your e-mail address and type your name in the message if you are not using your Cortland e-mail address
- The wiki will contact me by e-mail. I will in turn grant you access
- You will get an e-mail that you have been granted access. Click on the link in the e-mail - *Please click here to join cap100*
- Enter your name and create a password
- Log on to the wiki using your name and password

Step 2: Viewing the class note pages in the wiki

- Go to <https://cap100.pbwiki.com/>
- Login using your name and password
- Click on View all pages (on upper right side of screen)
- Select page to view

Step 3: Adding your class notes to the wiki

- Go to <https://cap100.pbwiki.com/>
- Login using your name and password
- Click on Create a page (on upper right side of screen)
- Use the date of the class as the page name
- Enter your notes
- When done click on Save button at the bottom of the screen
- To make changes, click on the Edit tab, make changes and save again
