

Reflections#5

1. Please reflect on your learning experience in this course. Please write down the things you would recommend the instructor to KEEP if she gets a chance to teach the same course again.

- All the presentations
- Reflections
- Lesson plan Final

2. Please write down the things you would suggest the instructor IMPROVE.

- More organized Readings
- Standing your original instructions.

3. Any other comments and thoughts to share with the instructor?

Please feel free to use the reverse side. Thank you very much for your time. I am grateful that I have you all in this class this semester. Your participation is highly appreciated. – Lin Lin
