---

With sincere gratitude, thank you for your support of the College in the 2011-2012 SUNY Cortland faculty and staff giving campaign.

Your gift made a profound difference in the lives of SUNY Cortland students and their access to education. We count on your generosity to ensure that future generations have arts and cultural programming, undergraduate research and opportunities in experiential education. Along with your work, financial support is important to our students' success.

As we move through our final year of the campaign *Educating Champions: The Campaign for Cortland*, we are grateful to our faculty and staff who have chosen to make an investment in both their position and our students. We are excited to announce that with support from our faculty, staff, alumni and friends we have raised to date over \$23 million.

In an effort to celebrate our generous donors, the Annual Fund office is hosting Philanthropy Week November 4 - 9. We ask that you start displaying this tag from your office door in recognition of your recent gift to SUNY Cortland.
