Change My Password

For increased privacy and easier access to the ASCD Web site, you may personalize your password. Choose a password you will remember but not one someone else will be able to guess (for example, do not use your last name).

A password can contain numbers, letters (uppercase and lowercase), the underscore "_", and the dash "-".

It cannot contain spaces or other characters.

It cannot be longer than 10 characters and must be at least 5 characters.
