Hi, Regina and Seth.

This is the letter I received from Boces after the Africana Dance Troupe performed for children with disabilities.

In addition to performing African and Brazilian Dance, we danced with everyone for about half an hour!

It was very touching to see children, despite their condition, truly enjoying and appreciating dance, music and movement!

What was so amazing was what my dancers brought to them.

They went above and beyond to help our community.

(They don't get extra credit for performing and the dancers were there because they really wanted to be there)

Regina - as I mentioned, I have been so lucky to have many students from your department.

Rachel Flynn, Alex Ednie, Alex Weissmann were just a few of many wonderful students from Communication Disorder and Hearing Science Department who volunteered at the event.

Seth-thanks again for your continuing support.

Please enjoy the letter.

Thanks,

Yomee

P.S. - I would also like to let you know that Lin Lin has been a wonderful addition to our Africana Dance Troupe and she also danced with us at BOCES. She continues to come to my class on a regular basis.

Dear Yomee,

On behalf of the staff and students at the McEvoy Campus, I would like to thank you and the entire "SUNY Cortland Africana Dance Ensemble" for performing for us on Friday, October 22, 2010.

Our students enjoyed watching the dance demonstration as well as interacting and dancing with the group. It was a joy to see students of different levels all enjoying the music and movement. Your dancers went above and beyond to draw the students into the dance experience.

It is a pleasure to meet young people willing to share their talents with the students in our program. Thank you again for giving us the gift of your time and talent. We are looking forward to making this a regular event.

Thank you,

Terri Wood
