## Thank You!

Thank you for taking this important first step in putting a stop to the destruction and pain caused by the natural gas drilling industry.

The next step is to send this [link](#) to 10 friends today. And follow-up with your officials every week - they need to hear your voice.

Sincerely,  
Josh Fox  
Founder & Artistic Director  
Sweet Jane Productions DBA International WOW Company (13-3931803)
