Subject: International Student Recognition CeremonyDear Lin Lin,

Thank you for coming to the international student recognition ceremony on Friday afternoon. I know that the students really appreciate the support they receive from our faculty, staff, and administrators and events such as these give us all an opportunity to underscore our support.

Although we say good-bye to a fairly large group of students this May, it is truly a bittersweet farewell. We have a great group of students and I have no doubt a large majority will go on to accomplish greatness in their future.

I look forward to your continued support as we welcome another large group of new international students this fall!

Thanks again,

Gonda Gebhardt
