Hi Lin,

This is WONDERFUL news!!! Thanks so much for volunteering to assist in our review process. Your effort is very much appreciated.

Marley

Subject: 答复: SPA Reviewer - request

Hi, Marley and Linda.

I'd like to participate in the SPA Quality Circle Review. I would appreciate working with someone who knows about NCATE process and learn from the process. Thank you for your invitation.

Dr. Lin Lin

Assistant Professor of Social Studies Education

Department of Childhood/Early Childhood Education

School of Education

SUNY Cortland

Cortland, NY 13045

主题: SPA Reviewer - request

Dear Lin Lin,

This e-mail asks your help to serve as a Quality Circle Reviewer for two NCATE program reviews. Given your special training with David Bauer, I am asking for your assistance to co-facilitate two of the 20+ SPA (Specialized Professional Association) reports being prepared for NCATE submission.

You already know the QCR process allows you to hone your peer review skills, ultimately strengthening your own work for proposal submissions. In this particular case, your familiarity

and facility with SPA reports will also be improved, providing an important service for your own academic department, and the campus as a whole. The NCATE process is crucial to all departments.

The advantage to your Teacher Education colleagues who developed the SPAs is clear. They will learn from their peers how to make improvements in their SPA drafts in a supportive, educational and collegial atmosphere. Your review would encourage your colleagues to develop strong, coherent and clear SPA proposals, reducing the amount of time needed for rewrites before their official submission to NCATE. Additionally, part of our reaccreditation process necessitates that faculty from across campus be involved in our collective efforts.

Through this experience, we will be experimenting with a unique utilization of the Quality Circle Review process for peer-to-peer exercises within departments, schools, and across the College.

There are two sessions organized to accomplish the SPA Quality Circle Reviews:

1. Quality Circle Refresher and NCATE Review Criteria, LUNCHEON, Jacobus Lounge, Friday, October 30, 2009, noon - 2:00 p.m.
2. Quality Circle Reviews, Sperry, Saturday, December 5, 2009, 8:30 - 1:00 p.m., Luncheon and refreshments provided.

If you are able to serve as a reviewer, please confirm your participation with Marley Barduhn by October 20 by e-mail. It is not necessary that you be familiar with NCATE or SPA processes, as you will be paired with a person who is knowledgeable in that area.

Thank you for your consideration in helping us with NCATE reaccreditation. I recognize that this service to your peers is extraordinary, but I would truly appreciate your involvement if you are able to assist.

Sincerely,

Mark Prus
