Dr. Lin Lin,

*A good teacher always knows
just how to bring out
the best in everyone-
Thanks for bringing out the best in me
and thanks for making
such a difference to my life.*

I really appreciate your help,
guidance, and instruction while I
was at SUNY Cortland. Thank you
for the letter of recommendation,
it was very kind of you to write
it for me. I hope to keep in touch
with you!

Fondly,
Jennifer Drake
