Hi Lin Lin,

I really enjoyed the 1890 House this morning! I have gone to Cortland for four years now and I always say when I am walking by it that I would go in and see it and never have. So I wanted to thank you for planning our trip and visit there. If I teach locally or within driving distance I will definitely bring my students there on a field trip. It is a beautiful place, and there is so much to learn!

Thank you and hope you have a great day!

Dear all,

A quick reminder that we are meeting at 8:30am, October 11, Thursday, 2012, at the 1890 House, 37 Tompkins Street, Cortland, NY. In case you need to contact the House, their number is 756-7551. Please remember to print out the attached file to bring with you. As you enter the building tomorrow, please remember to sign in the guest book of the HOUSE.

I also posted two announcements about campus events (one of them is tonight). Both events can help you finish Part A of the Civic-Engagement and Service Learning Project. They are both great events for teachers and their professional development.

Thank you for your consideration. See you tomorrow.
