Lin Lin – Fall 2010

COMMENTS:

- Sometimes things are unorganized and it is hard to follow along. Also, directions for assignments were very confusing, but I really enjoyed this class. Lin Lin was a great teacher.
- This was an extremely unfair class. Lin Lin does not teach effectively. Lin Lin posts assignments on e-learning, which was helpful but does not instruct us on what to do. It was very frustrating.
- I think Lin Lin shows great enthusiasm for teaching but the assignments and directions were very hard to understand and were unclear.
- I enjoyed this class. I really liked your enthusiasm. I think that assignments should be explained in more detail.
- Lin Lin has really challenged me to think outside of the box when it comes to teaching social studies. Because of her enthusiasm and commitment to diversity and multicultural education, she has inspired other students, along with myself to think outside the box. One area of concern for me and a lot of other students is to not focus on quizzes. It really bothers me with a course with heavy coursework that it also comes with a final exam. This is a content course and focusing on tests and drills is not really a good strategy for future teachers. Nevertheless, Lin Lin was an amazing person and professor. She was a great professor! Thank you Lin Lin for everything.
