Dear Lin Lin:

Once again, it is my pleasure to send you a welcome reminder of your influence on students' lives.

The *Class of 2009 Grad Survey* has recently been completed and distributed electronically to the President's Cabinet and department chairs. The survey contains information such as graduates' satisfaction with their advisement and major department faculty, as well as their current employment status and salaries. Within the survey, graduates are also asked to list "up to three individuals who greatly influenced you while you were at Cortland."

I am pleased to inform you that you were mentioned among the responses from our 2009 graduates. Enclosed is a congratulatory postcard from each student who identified you on the survey. Your significant contributions to our students do not go unrecognized.

Again, on behalf of those graduates who have listed you as greatly impacting their education, thank you for your dedication and professionalism.

If you have any questions or comments about the *Grad Survey* or would like an electronic copy, please call Career Services at x4715 or email me directly at michele.baran@cortland.edu, and I will gladly send you a copy.

Sincerely,

Michele Baran
Career Counselor / Graduate Survey Coordinator
