Hi Lin Lin!

I hope you are doing well! I wanted to send you an email to let you know that I am currently student teaching in a 5th grade classroom in New York City and that I taught a social studies lesson that I learned about in your class with bartering and trade. The students loved it and so did my cooperating teacher. It is such an amazing experience to be able to actually put to use all of the amazing things I learned about in your EDU480 class last semester and it was truly a lot of fun teaching it!

Sincerely,
Sarah Feld
