Dear Lin:

Our non-traditional student population was recently surveyed about the support and resources they receive at SUNY Cortland. The questionnaire offered an option for the students to mention the name of a faculty or staff member who has been instrumental in their efforts to obtain a bachelor's degree. I am pleased to inform you that your name was submitted.

Since the on-line questionnaire was set to be anonymous, I am unable to announce who submitted your name. However, I feel it is important to notify you of this recognition. Since our non-traditional students typically balance their college classes with family and employment responsibilities, your kindness, support, and understanding are very much appreciated.

Thank you for being an advocate and mentor to our non-traditional students. Enjoy your summer.

Sincerely,

A handwritten signature in black ink that reads "Cheryl Hines". The signature is written in a cursive, flowing style.
