Please respond to the following question. Feel free to use the reverse side of the page.  
Your feedback is highly appreciated.

**What would you do to help the instructor improve teaching and students' learning in this course?**

The course is very hands on and the students are always involved, which is great. The only thing I don't like is the amount of reading. I know you've already cut back, but reading off a disc at my computer is uncomfortable and monotonous!

Please respond to the following question. Feel free to use the reverse side of the page. Your feedback is highly appreciated.

**What would you do to help the instructor improve teaching and students' learning in this course?** I think she does well with the variety of teaching methods- It helps to show us ways to have diversity in our teaching. One thing that is frustrating is the amount of reading- I feel that some weeks we are overloaded with work but then have no work other weeks.
