- **Professor of International Security**
  University of Adelaide
- **Professor in the College of Engineering & Computer Science**
  Australian National University, College of Engineering & Computer Science
- **Associate Professor/Professor of Cyber-security**
  University of Adelaide Faculty of Engineering, Computer and Mathematical Sciences
- **Academic Opportunities in Dialogue Research**
  Monash University, Faculty of Information Technology
- **Lecturer/Senior Lecturer/Associate Professor in the College of Engineering & Computer Science**
  Australian National University, College of Engineering and Computer Science (CECS)
- **Senior Lecturer in Electrical and Computer Systems Engineering**
  Monash University Malaysia, Department of Electrical and Computer Systems Engineering
- **Lecturer/Senior Lecturer/Associate Professor - Multiple Positions in Engineering and Computer Science (CECS)**
  Australian National University, College of Engineering and Computer Science (CECS)
- **Research Associate for Verified Time Protection Project**
  UNSW Sydney
- **Research Fellow Opportunities in Dialogue Research**
  Monash University, Faculty of Information Technology
- **Defense Post-Doctoral Research Fellows for Australian Institute for Machine Learning**
  University of Adelaide Faculty of Engineering, Computer and Mathematical Sciences
- **Post-Doctoral Grant-Funded Research Fellows at the Faculty of Engineering, Computer and Mathematical Sciences**
  University of Adelaide Faculty of Engineering, Computer and Mathematical Sciences
- **Internal Grant-Funded Researcher at the School of Computer science**
  University of Adelaide School of Computer science
- **Machine Learning Postdoctoral Researchers and Software Engineers**
  University of Adelaide Faculty of Engineering, Computer and Mathematical Sciences

**Austria**

- **Full Professor of Navigation** PRIORITY!
  TU Graz
- **Research Assistant | PhD Student**
  Management Center Innsbruck (University Innsbruck)
- **Scientist in traffic modelling**
  Austrian Institute of Technology Department of Computer Science
- **Software Engineer for innovative transport optimization solutions**
  Austria Institute of Technology Faculty of Computer Science and Software Engineering
- **PhD Position in Artificial Intelligence in Urban Planning and Design**
  Austria Institute of Technology Faculty of Computer Science
- **PhD Position in Artificial Intelligence in Urban Planning and Design**
  Austria Institute of Technology Faculty of Computer Science
- **PhD Students Position**
  Johann Radon Institute for Computational and Applied Mathematics (RICAM)
- **PhD Position on Skills for Human-robot Collaboration**
  KU Leuven Department of Engineering

**Bahrain**
• **Assistant / Associate professor in Computer Engineering**  
  Ahlia University College of Information Technology  
• **Multiple Position in Computer Science**  
  AMA International University Department of Computer Science  
• **Position in Software Engineering**  
  University of Bahrain Department of Computer Science  

**Belgium**

• **Postdoctoral Researcher in Explainable AI**  
  Vrije Universiteit Brussel Department of Electronics and Informatics  
• **PhD in Artificial Intelligence for Robotic Disassembly of Electric Car Batteries**  
  KU Leuven Mechanical Engineering Technology TC, Group T Leuven Campus  
• **PhD in Knowledge Representation and Reasoning**  
  KU Leuven Informatics Section  
• **PhD Student in AI, Machine Learning, Data Science**  
  KU Leuven Informatics Section  
• **11 PhD Positions in the Field of Artificial Intelligence and Machine Learning**  
  KU Leuven ESAT - STADIUS, Stadius Centre for Dynamical Systems, Signal Processing and Data Analytics  
• **2 PhD Candidate Positions for AI Applications in Chemical Engineering**  
  KU Leuven Diepenbeek Sustainable Chemical Process Technology TC, Diepenbeek Campus  
• **PhD position on III/V-on-silicon mode-locked lasers (ERC grant)**  
  Ghent University, Department of Information technology  

**Brazil**

• **Post-doctoral in Optimization of finite-difference seismic wave solvers and their adjoints computing**  
  University de São Paulo Department of Computer Science, Mathematics and Engineering  

**Canada**

• **Professor of Electrical Engineering** **PRIORITY!**  
  Polytechnique Montréal
• Full Professor and Department Chair PRIORITY!
  University of Waterloo
• Professor position in optical communications and related fields
  PRIORITY!
  Laval University
• Assistant Professor in Mathematics and Statistics focusing on Artificial
  Intelligence PRIORITY!
  University of Guelph
• Assistant Professor of Technology Innovation, Advanced Systems, Analytics, Energy and Environment PRIORITY!
  University of New Brunswick
• Assistant Professor of A.I, Internet of Things, Mechatronics, Software and Systems PRIORITY!
  University of New Brunswick
• Tier 2 Canada Research Chair (CRC) in Computer Security
  Simon Fraser University, Computing Science
• Full Time Professorial Stream - Assistant/Associate Professor in Actuarial Science
  York University, Department of Mathematics & Statistics
• Full Time Professorial Stream - Assistant Professor in Pure Mathematics
  York University, Department of Mathematics & Statistics
• Instructor in Software Engineering, Department of Electrical and Computer Engineering
  University of Calgary, Department of Electrical and Computer Engineering
• Business Analyst
  Queen's University Department of Information Technology
• Web/Application Developer
  Queen's University Department of Information Technology

• Programmer analyst
  Universidad de Valparaiso Chile
• Faculty Position in Computer Engineering for Embedded Systems
  Pontificia Universidad Católica de Chile Department of Electrical Engineering and Computer Engineering

China
• **Professor / Associate Professor / Assistant Professor of Microelectronics PRIORITY!**
  Southern University of Science and Technology in Shenzhen

• **Multiple Tenure-Track Faculty Positions PRIORITY!**
  Zhejiang University/University of Illinois at Urbana-Champaign Institute

• **Professor Position in Computer Science and Engineering**
  Southern University of Science and Technology Department of Computer of Science and Engineering

• **Professor Position in Computer Science and Engineering**
  Southern University of Science and Technology Department of Computer of Science and Engineering

• **Professor/Associate Professor/Lecturer in Statistics (with Mathematics and Economics)**
  Jinan University - University of Birmingham Joint Institute

**Colombia**

• **Assistant Professor of Systems and Computing Engineering**
  Universidad De Los Andes Department of Computer Science and engineering

**Denmark**

• **Assistant Professors (tenure track) / Associate Professors in Electrical and Computer Engineering PRIORITY!**
  Aarhus University

• **Associate Professor of Software Engineering**
  University of Copenhagen, Department of Computer Science

• **Tenure-track assistant Professor of Software Engineering**
  University of Copenhagen, Department of Computer Science

• **Tenure-track assistant Professor of Natural Language Processing and Machine Learning**
  University of Copenhagen, Department of Computer Science

• **Associate Professor of Natural Language Processing and Machine Learning**
  University of Copenhagen, Department of Computer Science

• **Associate Professorships in Machine Learning**
  Kobenhavns Univeristet (University of Copenhagen) Department of Computer Science
• **PhD fellow in Theoretical Machine Learning**  
  University of Copenhagen, Department of Computer Science

• **Postdoc of Deep Learning for Large-Scale GeoScience and sustainability Applications**  
  University of Copenhagen, Department of Computer Science

• **PhD fellow in Theoretical Machine Learning**  
  University of Copenhagen Department of Computer Science

**Finland**

• **Research Assistants in Honours programme in Communications and Networking**  
  Aalto University Department of Information Technology

• **Senior researcher/Doctoral candidate in Mathematics Department**  
  University of Turku Department of Mathematics and Statistics

• **Software Developer in Immersive Video**  
  University of Turku

• **Postdoc or Ph.D. student in the area of interledger DLT technologies**  
  Aalto University School of Electrical Engineering

• **Research Assistant Or Project Researcher (Machine Learning For Exploratory Search Over Multiple Data Domains)**  
  Tampere University Faculty of Information Technology and Communication Sciences

• **Doctoral Researcher/ Postdoctoral Research Fellow in Electrical Engineering, Communications Engineering and Signal Processing**  
  Tampere University Faculty of Information Technology and Communication Sciences

**France**

• **Post-doctoral researcher in Natural Language Processing / Machine Learning**  
  Lorraine Université d'Excellence Department of Computer Science and Mathematics

• **PhD position in Few-shot learning: Application to object detection and semantic instance segmentation**  
  CEA Tech Department of Computer Science and Software

**Germany**
• **W3 professor of statistics and econometrics**  
  Ludwig-Maximilians-University Munich, Faculty of Mathematics, Computer Science and Statistics

• **Associate Professorships in Mathematics**  
  University of Münster, Mathematical Institute at the Faculty of Mathematics and Computer Science

• **Full Professorship in Stochastic Analysis**  
  University of Münster, Mathematical Institute at the Faculty of Mathematics and Computer Science

• **Junior Professorship (W1) for Practical Computer Science**  
  University of Münster, Department of Mathematics and Computer Science

• **Professorship of Theoretical Mathematics**  
  University of Münster, Mathematical Institute at the Faculty of Mathematics and Computer Science

• **W3-Professorship for Statistical Learning and Data Science (Chair)**  
  Ludwig-Maximilians-University Munich, Faculty of Mathematics, Computer Science and Statistics

• **Professorship for Data Science**  
  Frankfurt University of Applied Sciences and Mathematics

• **Research Associate Connected Mobility (Prof. Ott) Computer Science**  
  Technical University of Munich, Faculty of Computer Science

• **Research Associate in Ego-Noise Reduction for Interactive Robots**  
  University of Hamburg, Faculty of Mathematics, Informatics and Natural Sciences

• **Research Associate at the Center for Digital Technology and Management**  
  Technical University of Munich, Center for Digital Technology and Management

• **Research Associate for the Project “Method and software development for solving the joint problem of x-ray diffraction and x-ray**  
  University of Hamburg, Faculty of Mathematics, Informatics and Natural Sciences

• **Scientific Programmer for High-Performance Computing**  
  Deutsches Klimarechenzentrum (German Climate Computing Centre)

• **Software Engineer**  
  Deutsches Klimarechenzentrum

• **Computer Scientist or Scientific Programmer**  
  Deutsches Klimarechenzentrum
• **Software developer / software developer in the area of digital twin for material and process modeling**
  Fraunhofer Scai Fraunhofer Institute for Algorithms and Scientific Computing SCAI
• **Data Scientist**
  Alfred Wegener Institute for Polar and Marine Research

**Ireland**

• **Senior Research Fellow in Computer Science and Cultural Data Analytics**
  University College Cork, Department of Music, School of Film, Music and Theatre
• **Research Assistant in Event Processing for the Internet of Multimedia Things, Data Science Institute**
  National University of Ireland NUI Galway, Data Science Institute (DSI)

**Italy**

• **Junior University Researcher (RTD-Junior) in Safety in physical Human-Robot Interaction**
  PRIORITY!
  Free University of Bolzano
• **Assistant Professor in Statistics**
  Ca’ Foscari University of Venice

**Japan**

• **Professor in Data Science, Artificial Intelligence**
  Tokyo Institute of Technology, Department of Computer Science, School of Computing
• **Assistant Professor in Mathematics(Analysis)**
  Tokyo Institute of Technology, Department of Mathematics, School of Science
• **Specially Appointed Assistant Professor or Research Staff in Institute of Innovative Research (IIR)**
  Tokyo Institute of Technology, Institute of Innovative Research (IIR)
• **Faculty position in the Department of Mathematics**
  Hokkaido University, Faculty of Science
• **Associate Professor in the Large-Scale Knowledge Processing Laboratory**
  Hokkaido University, Faculty of Information Science and Technology
• **Assistant Professor in the Faculty of Information Science and Technology**  
Hokkaido University, Faculty of Information Science and Technology

• **Assistant Professor Position Available in School of Information Science (Cryptography and Information Security)**  
Kanazawa University, School of Information Science

• **Professor or Associate Professor (Total opening: 2) in School of Computing**  
Tokyo Institute of Technology, School of Computing

• **Associate Professor in the Faculty of Information Science and Technology**  
Hokkaido University, Faculty of Information Science and Technology

• **Tenure-Track Position in Mathematics and Information Science**  
Akita International University

**Luxembourg**

• **Chief Scientist/ Associate Professor in Software Engineering with a special emphasis on modelling and verification of cyber**  
University of Luxembourg Faculty of Engineering, Electrical and Computer Science

• **Postdoctoral researcher in the field of Data analytics and Machine learning for digital transformation in industry**  
Luxembourg Institute of Science and Technology Department of Computer Science and Mathematics

• **PhD Position in Wireless Communications and Networking**  
University of Luxembourg Faculty of Engineering, Electrical and Computer Science

**Netherlands**

• **Assistant Professor / Junior Teacher Methodology and Statistics**  
University of Twente Faculty of Mathematics

• **Full/Associate Professor in Security**  
VU University Amsterdam Department of Computer Science

• **Identity and Access Management specialist**  
VU University Amsterdam Department of Information Technology

• **PhD Student in the Area of Quantum Computing and Simulation**  
Centrum Wiskunde and Informatica Department of Computer Science and Mathematics
• **Postdoctoral position in Text Mining**  
  University of Twente Faculty of Electrical Engineering, Mathematics and Computer Science

**New Zealand**

• **Lecturer/Senior Lecturer in Computational Media** PRIORITY!  
  Victoria University of Wellington
• **Lecturer/Senior Lecturer in Data Science** PRIORITY!  
  University of Auckland
• **Lecturer/Senior Lecturer in Software Engineering** PRIORITY!  
  University of Auckland
• **Professional Teaching Fellow in Computer Science / Computer Systems** PRIORITY!  
  University of Auckland
• **Professional Teaching Fellow in Data Science** PRIORITY!  
  University of Auckland

**Norway**

• **Professor/Associate Professor in Software Quality including Software Security** PRIORITY!  
  NTNU
• **PhD position in Digital Business Strategy**  
  Norwegian University Of Science and Technology Department of Computer Science

**Qatar**

• **Instructors of Cybersecurity** PRIORITY!  
  The Newton Group of Schools

**Singapore**

• **Research Assistants in Software / research prototype development of new cutting-edge security technology**  
  National University of Singapore, Department of Computer Science
• **Research Assistant at NUS Computing**  
  National University of Singapore, Department of Computer Science
Switzerland

- Research Assistant/Fellow in Security of Internet Protocols
  National University of Singapore, Department of Computer Science
- Research Assistant/Fellow in Transcriptomics/Proteomics
  National University of Singapore, Department of Computer Science
- Postdoctoral Research Fellow in Deep Learning and Probabilistic Graphical Models
  National University of Singapore, Department of Computer Science
- Post-Doctoral Research Fellow in Deep Learning and Robotics
  National University of Singapore, Department of Computer Science

Sweden

- Beijer Professorship in Artificial Intelligence
  Uppsala University, Department of Information Technology
- Assistant Professor of Computer Science
  Royal Institute of Technology, School of Electrical Engineering and Computer Science
- Assist. Prof. Production Systems spec in Collaborative Robot Systems
  KTH Royal Institute of Technology
- Substitute lecturer in mathematical statistics
  University of Gothenburg, Department of Mathematical Sciences
- Researcher in Electromagnetic Theory
  Lund University, Electrical and Information Technology
- Doctoral student in applied and computational mathematics
  KTH Royal Institute of Technology, School of Engineering Sciences
- Postdoctoral position in computer architecture: memory systems and machine learning
  Uppsala University, Department of Information Technology
- Doctoral students in Computer Science (WASP)
  Lund University, Department of Computer Science
- Postdoctoral Researcher in Information Systems, 1-2 positions
  University of Gothenburg, Applied Information Technology
- Postdoc in Software Technology for Code Specialization
  KTH Royal Institute of Technology
- Postdoctoral researcher
  Umeå University Department of Computing Science
- Postdoctoral researcher position in Computing Science
  Umeå University Department of Computing Science

Switzerland
- **Associate or Full Professor in Cyber Security** PRIORITY!
  University of St.Gallen
- **Assistant or Associate Professor in Programming** PRIORITY!
  University of St.Gallen
- **Computer scientist or system librarian**
  ETH Zurich
- **PhD position in Big Data Analysis using Artificial Intelligence in Railway Measurement and Grinding**
  ETH Zurich Department of Computer Science, Mathematics and Engineering
- **PhD in machine learning for IoT**
  ETH Zurich Department of Computer Science and Mathematical Science
- **PhD position in Statistics with a focus on probabilistic graphical models and causal inference**
  University of Basel Department of Computer Science and Mathematics

**United Arab Emirates**
