KIMBERLY ROMBACH – FALL 2004

COMMENTS:

- I thought Kim was a great teacher. She was always there if you needed her.
- She is the best professor I've had in college. She is always willing to help you in any way and she works extremely hard in preparing us for the future. I've never experienced a class like this before; it was one of a kind!
- I loved this class! I'm so glad you were my teacher.
- Kim was amazing! By far one of the top three teachers that I have ever had at this school.
- This class taught me a lot and I will carry this knowledge with me as I become a teacher.
- I have learned so much from this class. You are a true inspiration to us. I want to be a teacher like the one we talked about in class. Thank you for bringing so much to our room. Thank you for being such a great teacher.
- I think this was the best class I have ever taken. Thank you so much for sharing all of your knowledge and experiences with us.
- I thoroughly enjoyed having you as a teacher. You not only taught me a ton about social studies but gave me a great base as to what a teacher should be to a student. Thank you for all of your help. I look forward to keeping in touch with you as a mentor into the teaching world. You are truly a great inspiration.
- Overall, I have enjoyed this class. I have learned many things that I will take with me in the future. I think the only thing I would change is to not have the entire unit plan due at once.
- Always very organized and available for questions, even at home. I learned so much in this class that will really help me in the future. You are a great teacher and I will recommend you to anyone.
- I feel Kim is a great teacher. I took so much away from this class. She made class enjoyable while making us work hard. She is a very understanding teacher; truly the best I have had.
- Excellent class. Dr. Rombach completely models what she expects from us. Assignments are clearly defined and explained with examples provided. There are no questions when you do your work. Dr. Rombach clearly expects success and will work as hard as you do to make it happen. The learning that has taken place in this class has been profound. Thank you for making us do our best.
- Dr. Rombach is a great teacher. I have learned a great deal from her. The concepts that I have learned will follow me into my own classroom someday.
- Dr. Rombach is a fantastic professor. She was always available and helpful. It was obvious that she truly cared about us. I feel like I have accomplished so much more than I ever thought I could. I can apply so much of this class to my future job. Dr. Rombach's comments were always helpful. Assignments tied in well with the reading and lectures. This was a great class, and I hope to take a master's course with her.

- This was a really great class. I am taking so much away from my experience in this class. The material was taught in a very effective way.
- This class was excellent. She taught us many things and teaching ideas that we didn't know before. She was readily available and encouraged us to seek help if needed.
- I have learned a lot about teaching for social justice in this class and how to teach social studies from multiple perspectives. I also have learned a lot about integrating curriculums.
- Very good professor. She not only taught me how to teach social studies in the classroom but she taught me about life in general.
- This is a really excellent class. At times it may seem that the course work is a lot, but it is all worth it. I have truly learned so much in this class. This is one of the most beneficial classes I have ever taken.
- I was inspired by this class and the teaching. I wish more professors had the same drive and love of what they do. I learned so much. It was a great experience.
- Dr. Rombach is always there to help and wants her students to do well. I learned so much from this course.
- Dr. Rombach has been my favorite professor at Cortland. She makes me want to be the best teacher I can be. I now know the importance of a community in the classroom. I will take everything I learned here and bring it with me to my future classroom. I will use learning centers and interactive teaching strategies.
- This class was the best I have taken in a long time. Dr. Rombach was very enthusiastic and enjoyed teaching the class. She was always prepared for class with fun but educational activities. I cannot stress how much I will miss this class. I hope to consider Dr. Rombach as a colleague someday. I value her opinions very highly.
