Kimberly Rombach – Spring 2007

COMMENTS:

- Thanks for keeping to the syllabus – you were the only stable thing about Block I. Thanks for getting everything back promptly! This class was the best and the only thing that kept me sane! I loved this class!
- I really enjoyed this class. Kim is a great teacher!!
- Thanks for being so organized and on top of things.
- Highly recommended!
- Kim is an excellent teacher and would be a great teacher for any future student to have.
- One of the best teachers at Cortland. I loved this class and having her as a professor. Thank you for everything!!
- This was the best class in Block I. Kim is an amazing teacher!
- I really enjoyed this class and the professor. She was so much fun and very knowledgeable. Thank you! I would give her a raise!
- Kim Rombach was an amazing teacher who was full of enthusiasm and passion for her course and her students. Her organization was amazing and I would suggest that any student with the opportunity take her!
- Excellent job staying on task throughout the semester. Incorporation with sixth graders was awesome. Great class!
- I loved this course and I loved this professor. I learned so much in this class and I know I will use this information in my future. Kim is one of the best professors I have had here at Cortland and she is amazing!
- I have never felt the way I feel about Kim with any other professor before! She taught me so much useful information and made me proud to be an up and coming teacher. I love Kim!

- She is so organized that it made it easy for us to stay on track. She was always willing to work with us to make our lives less stressful. She has been one of the best professors I have ever had here.
- Kim is the best professor I have had. She is so organized, knowledgeable and so caring. She helped me whenever I needed help. Definitely the best! I really liked this class. I learned the most from this class out of all the classes! She's a great person and a great teacher. She really knows her stuff. She is very understanding and works with you. I think this is a great class. I loved having her as a professor. She deserves a raise. She is a great professor.
- I loved this class. By far the best class of this semester and in Block I. I love Kim! Very effective teacher.
