KIMBERLY ROMBACH – SPRING 2009

COMMENTS:

- This class was great. I learned a lot about diverse learning and teaching methods.
- This was the best class in Block I. Kim was a great teacher, and I learned so much.
- You are a very effective teacher. I loved your class. Your flexibility made this class much more enjoyable.
- I loved this class. Kim showed that she really cared and put in her full effort as well.
- Kim is by far my favorite teacher in Block I. Her teaching has impacted me greatly. We need more teachers like Professor Rombach. I love happy Mondays!
- Wonderful professor! She truly cares about her students. This was a difficult class with a lot of work, but Kim helped us through it.
- I loved Kim. She was a great professor who really cared about the success of her students.
- Kim was an amazing professor. She was very understanding and truly cared about her students.
- Great teacher! She practices what she preaches.
- TaskStream should be free or included in the cost of tuition and fees.
- What a wonderful experience it has been to learn from you this semester. You are my role model.
- Great professor! She was fun and energetic about teaching. Work was graded fairly.
- Kim was such a caring teacher. I really enjoyed this class. She was one of my favorite professors.
- TaskStream needs to be started earlier in the semester.
- Kim has been the most effective teacher I have ever had at SUNY Cortland. She was thoughtful and has taught me so many things about education. She not only is a friend to us, but she teaches in the process. Amazing professor!
