Kimberly Rombach – Spring 2010

COMMENTS:

- Kim did a great job of presenting to the class and making sure everyone understood the lessons thoroughly. The lessons were fun and interesting. I approached Block 1 expecting to be stressed but Kim did a great job at giving a calming effect on each lesson, project and assignment. Kim was the best professor I have had at Cortland.
- Your class was very informative and well taught. There was a lot of writing, all of which I feel was necessary for the requirements of the course. I feel that you were very understanding about student life, and I found you to be a very respectful person. Thank you for a wonderful learning experience and good luck in the future.
- Your instruction was outstanding and you must be commended for your effort in providing each student with specific and thorough assessments of our ongoing progress. You are certainly a top professor in my educational career and I truly appreciate your commitment to helping us emerge as effective teachers.
- I believe this class was beneficial to my learning and my future career as an elementary teacher. This instructor inspired me to strive to be a teacher who is able to reach every student in the classroom. This has been my favorite class of the semester.
- I really enjoyed this course. Kim did a great job preparing us to become future educators. Her course continually pushed me to critically think and evaluate my practices and philosophies to improve. I could directly relate course content to my field experience.
- Kim was great! She was very intelligent and respectful. I am really glad that she was my professor in Block 1.
- I liked how you understood that students have more than just your class and you were flexible when it came to due dates. I enjoyed your class this semester.
- I enjoyed this class and have learned a lot. Thank you for being caring and understanding. It was hard to keep the two classes separate, but overall I enjoyed working with you this semester.
- I really enjoyed this course. The teaching style was very effective. I liked how you took time to explain all of our assignments to us and you answered all of our questions. Thanks for being an awesome teacher.

- I really enjoyed this course. Kim has been one of the most influential professors I have ever had. Her class was organized and designed to help us succeed.
- Your class was my favorite in block. Your style of teaching was effective. Thank you for your understanding throughout the semester. Your comments on papers were very helpful.
- You are an amazing teacher with a wonderful insight on the classroom setting. Your outlook on teaching was so interesting and valuable to the future. You were always fair and laid back. Assignments were always treated realistically and were manageable. Thanks for an amazing semester.
- You are by far the best professor I have had in education. You were caring, flexible and compassionate who truly made a difference in how I view classroom management and other concepts. I really enjoyed your class and thank you for everything.
- This professor was remarkable and made such a great impression. I can say that I am so confident in my future as an educator. Kim was great and so helpful.
- Kim was one of the best teachers I ever had. She knows her stuff and everything she talked about related to my host classroom. She was an understanding teacher and was always willing to help me. More teachers should be like her.
