- Dr. Rombach is great! I couldn't ask for a better instructor.
- Loved this class to death.
- Dr. Rombach is very intelligent and compassionate and we learned so much from her. This is the best Childhood Education professor at Cortland.
- Very friendly and accommodating to every student's needs.
- I can't say enough good things about this instructor! This class has been such a joy to be part of. The workload was intense at times but worthwhile. Instructor was abundantly kind and thoughtful. She patiently accommodated all our various needs and allowed us some flexibility.
