- 11) Overall this instructor has been effective. - 5
- 12) Overall I am satisfied with my accomplishments in this online course. - 4

- 13) Please comment on what you liked most about being in an asynchronous online class? - I saved a lot of \$ in gas. I also was able to work at my own pace, in a way.

- 14) Please comment on what you liked least about being part of an asynchronous online class? - I was able to procrastinate a little too long. I also would have liked to meet the professor, see a picture of her or something. I'm a real people person!

- 15) Comments concerning time requirements -

Additional Comments: I appreciate that my professor was patient, kind and very caring. I also liked the fact that she kept us working. I think I worked harder in her class than in several others that I actually went to the campus for!

Overall Score: 51/55
