Dear Dr. Romeu:

With this letter I am pleased to invite you personally to affiliate with us as an External Fellow of the CASE Center. We are very pleased with your work in the area of software engineering and software reliability under Dr. Amrit L. Goel, and this appointment will facilitate your research by providing you with office space and reasonable access to facilities while you are on our campus. We will also include you on our invitation list for CASE Center activities such as seminars, conferences and workshops. In addition you will receive our newsletter and reports list so that you can receive specific technical information that you select.

For your information, I have enclosed a copy of the new brochure describing the CASE Center and some other materials that explain some of the activities of the Center. I would appreciate very much hearing of your decision regarding this appointment soon. Once you have decided, please have your secretary contact the Center's administrative secretary, Susan Craig at (315) 423-1063. Ms. Craig has responsibility for liaison with the consortium institutions.

Thank you for your interest in this program. We will be in touch with you soon regarding upcoming events and activities sponsored by the CASE Center.

Sincerely,

Bradley J. Strait
