Dr. Suzanne Wingate

Dr. Wingate was hired in 1985 to establish the sport management program at SUNY Cortland. Regarded by both colleagues and students alike as an exceptional teacher; she had a great passion for Cortland and her work, and a genuine commitment to the overall growth and development of her students. The level of excellence she set and lived by was a trademark of her personality. Regrettably, Suzanne lost her battle with cancer in 1995. An avid golf enthusiast, this tournament is held in her memory and honor, designed to perpetuate the legacy she began. Proceeds from the tournament benefit the Suzanne Wingate Memorial Scholarship Fund for sport management majors.
